They are discussing it, but they have not gotten back to me. I hope to have an answer by the end of the day or early tomorrow.

Ms. Salinas,

I'm following up to see if you've had a chance to talk to to appropriate people about an extension to respond.

Do you have some good news for me?

Dear Ms. Salinas,

I've called your office a few times but have missed you.

I'm writing you on behalf of Dean Services West, LLC, and Lynn Dean personally regarding the special notice letter the Agency sent on April 28, 2015.

We are still reviewing the letter and the documents I received from a FOIA request to EPA. The sixty day period is coming to an end shortly, and I would like additional time to respond to the letter.

Yours,
